Expiration date is 24 weeks from date of first visit

Because we care about you and your kitten and want to provide the best possible care at the Cat Clinic, we offer the Healthy Kitten Care Plan at a total cost of only \$326.59. Payment must be made for the entire plan at the first visit. There can be no changes or alterations made to the Healthy Kitten Care Plan. No other services can be added to this payment plan. Because this plan is heavily discounted for your benefit, there can be no substitutions of services or refunds once the program is started. If the Healthy Kitten Care Plan expires and you wish to continue with the services, we will be happy to do so; however, you would be charged our normal fees.
